Information to Parents/Caregivers School Fees for 2020

This letter outlines the fee structure for 2020.

Our fees remain competitive and below the level of our neighbouring Independent Schools. School fees in the independent sector typically increase fees by 4-5% each year. The Lobethal Lutheran School Council has passed an increase of 2% based on the 2019 Tuition Fee.

It is a requirement of enrolment that the families will pay the full years' tuition within the current school year.

If a payment plan is required contact must be made with the Finance Officer in Term 1. Please note that if an account is in arrears at the end of a school year a payment plan will be enforced to pay the following years fees, and a figure to clear the arrears will also be sought. Please note that the financial viability of the school is greatly dependent on families honouring their agreement to pay fees via their child's enrolment.

The Tuition fee will be invoiced in full at the commencement of the school year.

BUILDING FUND

School Council has endorsed that the donation to the Building Fund will remain at \$100.00 per family. All payments to the Building Fund go towards the annual building maintenance program, repayments of loans and the development of new learning spaces. Whilst this is optional, it is of great benefit to the school, as well as being a tax deduction to families.
