Stand and See

“Stand firm and see the salvation of the Lord that He will provide for you today.” Exodus 14:13

Do you ever find yourself avoiding a difficult situation? Many people today run when things get hard. They run from their problems. They run from responsibility. They run from people they don't like. They run from the past. They run from anything that makes them uncomfortable. Instead of facing the issue and dealing with it, they look for the path of least resistance, which isn't the path to victory. If we are going to embrace all that God has for us, we have to learn how to face our challenges head on.

Notice that the verse doesn't say, "Keep running until you see the salvation of the Lord." It doesn't say, "Bury your head in the sand until God delivers you." It doesn't say, "Worry all night and try to figure things out until a miracle takes place." No, God wants us to stand strong, set our faces like a flint, and fight the good fight of faith. And the good news is you don't have to do it in your own strength! God is on your side. He's equipped you with His supernatural power to overcome every obstacle.

Today, know that God is with you. He is for you. You are equipped to overcome. Stand strong, stand in faith, knowing that you will see the salvation and deliverance of Almighty God in every area of your life!

Prayer:

Dear Lord, we humbly come to You and ask You search our heart. Show us any area in our lives that we need to surrender completely to You. Help us to stand strong and see Your salvation in every area of our lives!

In Jesus name, amen.

Week 9

Cows Capers

At Lobethal Lutheran, our students have an extraordinary opportunity to take part in our STEMAg program, learning about the agriculture industry and the integration of technology firsthand. We have enjoyed greatly continuing to learn about and care for our onsite calves Muffin and Banjo and are thrilled to offer this experience for our learners.

Mother's Day Morning Tea

We had a spectacular Mother's Day Morning Tea celebration! Our community came together for a moving worship service and a delightful morning tea to honour our mothers and mother figures. The event was a great success, thanks to the support of our amazing community, the hard work of our dedicated staff, and the delicious coffee provided by the wonderful Dave!

Reconciliation Week

We kicked off Reconciliation Week with a meaningful ceremony where our students tied ribbons to symbolize our commitment to reconciliation, respect, and understanding. This powerful gesture marks our shared journey towards a harmonious future. Additionally, we were privileged to have a visiting artist guide our students in creating beautiful clay artworks that represent the spirit of reconciliation.

New Playgroup

Our new Play'n'Chat group has been flourishing, meeting every Thursday at 9 am in the Lobethal Lutheran Church basement. It has been wonderful to see families and community members come together to enjoy coffee, watch the children play, and build new friendships. The warm and welcoming atmosphere has made each session a heartwarming experience for all involved.

Week 9

Beyond Program

We are delighted to witness the return of our award-winning Beyond Outdoor Learning Program. Our students have been learning about birds, practicing knife safety, and making rope ladders. These outdoor activities are designed to enhance their classroom learning, fostering hardworking, collaborative learners. Students also journal about their experiences, promoting reflection and a growth mindset. This program exemplifies rich, real-world learning at it's best.

Cross Country

Our Cross Country event was a resounding success! On a beautiful morning, our students pushed their limits and showcased their endurance in long-distance running. The enthusiasm and support from our community were incredible, cheering our young athletes on every step of the way. Thank you to everyone who came out to support our students!

SAPSASA

We have had awesome success across our community with students participating in SAPSASA Netball, Cross Country, Mountain Bike Riding and Golf. We are very proud of the skill and sportsmanship of these students.

Week 9

Thank You

Thank you to our community for the continuous support and encouragement. I have been reflecting on and am proud of the unique programs we offer, including Beyond and STEMAg. These programs, aligned with best practices in maths and literacy teaching, truly enhance the educational experience at Lobethal Lutheran School.

These programs enhance traditional classroom learning by making abstract concepts tangible and relevant, thereby deepening students' understanding and retention of the material.

At Lobethal Lutheran School, we strive to create an educational experience that goes beyond the conventional, preparing our students not just for exams, but for life. Thank you once again for your unwavering support in helping us achieve this mission. Together, we are shaping the future of our children, equipping them with the skills and knowledge they need to succeed in an ever-changing world.

Private Music Lessons with Tamara Koop in 2024

Give your child the lifelong gift of music tuition at Lobethal Lutheran!

30 minute Lessons are given during school time on Fridays

- **Learn the Piano / Electric Keyboard** - Year 1 and up
- **Learn the Acoustic Guitar** - Years 3 and up, or the Electric Guitar for Year 5 and 6
- **Learn the Bass guitar** - Yr 5 and 6

VERY IMPORTANT: All students need to own their own appropriate sized instruments from the very first lesson and a music stand for home use.

Guitar students in Years 3 and 4 must start with a 3/4 nylon string guitar. Older students in Yr 5 or 6 may use any style / size guitar, but nylon stringed is the easiest on the fingers!

Bass guitar students need a short scale smaller bass guitar to start with, *and an amp!*

Cost: \$32 each lesson (8 lessons per term). All Music Books are included during the first Semester. Any bookings, questions or advice needed please contact Tamara on 0413 944 636 or email tamaraj6677@gmail.com
