School Fees for 2021

Lobethal
LUTHERAN SCHOOL
Historically Grounded, Future Minded

This letter outlines Lobethal Lutheran School's fee structure for 2021.

The Lobethal Lutheran School Council has decided *not* to increase enrolment fees for 2021, in recognition of the difficulties faced by many school families as a result of the Cudlee Creek Bushfire and the COVID-19 pandemic. Our fees remain competitive and less than our neighbouring Independent Schools. School fees in the independent sector typically increase fees by 4-5% each year.

Accordingly, the following fees will be invoiced in full at the commencement of the school year:

- **TUITION FEE**

1 st Child	\$3,520 per annum
2 nd Child	\$3,187 per annum (\$333 sibling discount)
3 rd Child	\$2,865 per annum (\$655 sibling discount)
4 th Child	Free

- **IT LEVY**

Per Student	\$115 per annum
-------------	-----------------

- **BUILDING FUND**

Per family	\$100 (voluntary donation)
------------	----------------------------

All payments to the Building Fund go towards the annual building maintenance program, repayments of loans and the development of new learning spaces. Whilst this is optional, it is very beneficial for the school, and provides a tax deduction for families.

All camps and excursions will be billed separately.

The full year's tuition and IT levy are to be paid within the school year. Families who require a payment plan or direct debit arrangement, must contact the school in Term 1.

Please note that where an account is in arrears at the end of a school year, a payment plan to enable payment of the following year's fees, along with a figure to clear the arrears, will be implemented.

In the event that fees are not paid and legal proceedings are deemed necessary by the school to recover outstanding fees, all recovery costs incurred will be added to the total amount outstanding.

Please contact the school on 8389 6131 or email admin@lls.sa.edu.au if you have any queries regarding tuition fees.
